

Their Story

WHICH OF OUR FOUR WEDDING VENUES DID YOU SELECT FOR YOUR SPECIAL DAY? WHY?

When my fiancé and I were choosing our special day we had the options between Deer Creek Club and Palmetto Club. We decided on Deer Creek because we liked that we would have the entire club for our event! We also liked the marsh views and the coastal theme of the club, complete with beautiful fireplaces, vaulted ceiling and gorgeous wooden beams.

WHAT WAS THE INSPIRATION FOR THE THEME AND DÉCOR FOR YOUR WEDDING?

Our theme for our wedding going into the location was Classy Disney but nothing set in stone. Once we decided on Deer Creek, my fiancé and I discussed what our favorite things were as a couple and individuals. Once we brainstormed those, we spoke with Kerry about what the Landings could do from our cake vision to the menu & design.

WHAT WAS YOUR FAVORITE MEMORY FROM YOUR LANDINGS CLUB WEDDING?

My favorite memory was when I was waiting to get my makeup fixed and I was looking at the venue take shape. I got to see all the beautiful flowers I was dreaming about come in and the tables set one by one. Seeing my dream take place.

LOOKING BACK ON YOUR WEDDING, HOW WOULD YOU DESCRIBE YOUR OVERALL EXPERIENCE HOSTING YOUR WEDDING AT THE LANDINGS CLUB?

Overall the Landings Club handled my wedding wonderfully! When any issues arose, the Landings Team were right on top of it and handled it extremely well. I would 100% recommend you consider the Landings Club. Things happen, but they know how to handle it so it's not an issue. Plus they care so much about their couples!

IF THERE'S ONE THING YOU'D TELL A FUTURE BRIDE WHO IS CONSIDERING HOSTING HER WEDDING AT THE LANDINGS CLUB, WHAT WOULD YOU TELL HER?

I would like to tell future brides that no wedding is perfect and what goes wrong usually is something you thought for sure wouldn't. By choosing a good team to host your wedding, you can rest assured that it will go smoothly and only you will know what was not planned. By hosting your wedding at The Landings Club, you get an experienced team who care so much about you and your event. They take pride in their work and that will be shown.
