

Their Story

HOW DID YOU HEAR ABOUT THE LANDINGS CLUB?

The Landings Club has always had a special place in my heart! My family has owned a summer home here for a few years and has tempted my husband and I to buy our own home here on the island. The Landings is a dream, cannot imagine calling anywhere else home. When we first moved down here, my dad and I were biking through Tidewater Square and I looked over at him and said this is where I'll get married someday! And just like that I met my husband and the rest was history!

WHICH OF OUR FOUR WEDDING VENUES DID YOU SELECT FOR YOUR SPECIAL DAY? WHY?

Since I set my eyes on Tidewater Square, I always knew that would be where I would tie the knot. The Spanish moss and beautiful lagoon allowed for the perfect backdrop to say, "I Do". When working with Blake, I always voiced how we didn't have to do much to the square because it is naturally so beautiful! Because most of my guests were from the Northeast, I wanted them to arrive to the square and instantly feel the love of the low country. I love all of the clubhouses on the island, but Plantation allowed for a lot of creativity and was the perfect size for the intimate wedding we wanted. The front porch made everyone feel right at home!

WHAT WAS THE INSPIRATION FOR THE THEME AND DÉCOR FOR YOUR WEDDING?

Peter and I wanted to have a "low country affair", black tie and elegant but still southern and laid-back! The Landings did such great job of creating a classy evening under the stars but still allowing my guests to feel like they were in the heart of the south.

WHAT WAS YOUR FAVORITE MEMORY FROM YOUR LANDINGS CLUB WEDDING?

Peter and I have so many memories that we will cherish forever from our wedding day, but one that I find myself dreaming about over and over was when we made our entrance into the cocktail party. I loved being married, and finally being introduced as Mr. and Mrs. Lambrou! Seeing all of our guests under the lit-up tent was so beautiful and special.

LOOKING BACK ON YOUR WEDDING, HOW WOULD YOU DESCRIBE YOUR OVERALL EXPERIENCE HOSTING YOUR WEDDING AT THE LANDINGS CLUB?

Everything was perfect! The Landings Club handled everything from our Welcome Party to the Farewell Brunch! All our guests raved about the amazing service, delicious food, and the beautiful scenery. I heard about the fried chicken for months following the wedding!
